WE ARE EXCITED TO ANNOUNCE

# Rain Will Bring Flowers Foundation 3<sup>RD</sup> ANNUAL FLOWERS BLOOM HOPE GALA

Saturday, April 18<sup>th</sup>, 2026, 6pm  
LSU Stadium Club

*Please join us for a magical evening which includes dinner, live entertainment, dancing, open bar, silent & live auction, and close the night with a fireworks display over Tiger Stadium.*

## Transforming our Pain into Purpose

We lost our 15-year-old son, Owen, to suicide on April 29th, 2023. Owen was popular, never bullied, good looking, fun loving, athletic and came from a stable home where he was loved and supported.

We say this to help you understand that if Owen could fall victim to suicide, then all our kids are at risk. To transform our pain into purpose, we've started the Rain Will Bring Flowers Foundation focused on Youth Mental Wellness.

**Statistically, suicide is the  
2<sup>nd</sup> leading cause of death  
in Louisiana's adolescents.**

Please join us at the Flowers Bloom Hope Gala to help affect change and protect families and their children. Event proceeds from the gala will be used to support Rain Will Bring Flower's strategic initiatives:

- Continued education and awareness throughout our community with the goal of normalizing mental health conversations

- Suicide awareness education to students, parents and faculty
- Growing an endowment to provide scholarships for those entering the behavioral health profession
- Modernizing mental health technology within our school systems

## PLEASE SEE THE IMPACTFUL WORK WE ARE DOING IN THE COMMUNITY:

**Planting Seeds of Hope 2.24.26 moderated by Ryan Clark, Headlined by Sgt. Rick Yarosh, and panel guest Clyde Edwards, featuring American Idol runner up John Foster.**
